

Well done to all participants. The maze is much trickier than it looks and so you should be proud that you completed it! Some of the results show with "missing info". This is because you may have forgotten to punch the start or the finish box, or have taken the controls in the wrong order. Nonetheless we really hope you enjoyed it and would like to try our new permanent course at Newlands Corner - you can purchase the maps at a small fee from the visitor's centre there, and there are instructions on the back!!

We also run several events each year. You would be very welcome to come along, and you can get details of these events from our website, www.guildfordorienteers.co.uk

Regards, Guildford Orienteers
